Help with making complaints

At Dungog and District Neighbourcare (DDN), we view feedback as an opportunity to improve the quality of our services and strengthen relationships with our clients. However, when making a complaint, we understand some people may feel uncomfortable with this process. We want to make this a positive experience for our clients.

You can nominate the person you wish to speak to at DDN. It could be your support worker or someone you have dealt with previously in the organisation.

You can choose a support person to assist you with your complaint or feedback. This person can be a friend, family member, staff member or an advocate from another organisation.

We will support you in choosing how, when and where the complaint will be made, and you have the option to remain anonymous.

What happens next?

DDN is committed to resolving complaints in an ethical, confidential, timely, transparent and fair way. We will do our best to rectify the problem and provide the best possible outcome for you.

How long will it take?

Most complaints can be addressed immediately. But for more complex issues, we may need to conduct an investigation. The target for finalising complaints is 30 days from the day of receipt. We will be in contact with you throughout the resolution process.

Confidentiality

Complaints are treated confidentially. Only the people who need to help find a resolution will be involved.

What if I'm not happy with the outcome?

DDN would always prefer to resolve your complaint directly, but you are also able to make a complaint to any of the following external agencies below:
